

Workmanship 5-Year Labor Limited Warranty

Limited Warranty

LandMark Exteriors, Inc. offers a limited 5-year workmanship warranty on the installation covering products we have supplied for the given project.

Coverage

LandMark Exteriors, Inc. will repair issues that arise as a result of workmanship or labor on your siding, windows, doors, roofing or other exterior work we rendered, provided LandMark is notified of the issue during the warranty period. LandMark Exteriors, Inc. reserves the right to inspect the issues in order to determine that the issue was caused by our workmanship. LandMark may also involve a 3rd-party manufacturer representative to help in an objective assessment.

LandMark Exteriors, Inc. also reserves the right to charge a service fee no less than \$250 if it is determined that the issue was not a result of our workmanship.

Exclusions

- Abuse or normal wear and tear of the materials, parts, components, etc.
- Improper maintenance
- Fire, flood, lightning, hailstorm, earthquake, or other natural conditions caused beyond the control of LandMark Exteriors, Inc.
- Storm doors

Terms of Coverage

The warranty period is 5 years from the start date of the installation.

Manufacturer Warranties

In addition to workmanship warranties, each client is extended numerous manufacturer warranties covering products and parts, extending up to a lifetime in some cases. LandMark Exteriors, Inc. will provide guidance if these warranties are needed.
